**Re:** 2025 LIT Expenditure Plan

---

The Town must file an expenditure plan for the Local Income Tax – Economic Development Fund with the County Auditor for the ensuing year. Uses of the fund are outlined in statute and the Town has been used the fund for the West Lake Extension, engineering of the bridges over Hart and Cady Marsh Ditches, legal fees associated with updating the zoning code, and regular lobbying fees.

The plan is written to allow the fund to be used for anything permitted in statute.

**RECOMMENDED ACTION:**

By motion and voice vote, approve the 2025 LIT Capital Expenditure Plan as presented.
