

**To:** President and Members of Town Council  
**From:** Staff of Public Works  
**Meeting:** January 20, 2025  
**Re:** 2024 Curb & Gutter Removal & Replacement overage

---

### **Background**

On November 7, 2024, Council approved the curb and gutter removal and replacement project. The project involves removal and replacement of existing curb and gutter and asphalt patching at 502 Evergreen Lane to 501 Hickory Lane, 520-532 Evergreen Lane, and 8738 Baring Avenue.

### **Methodology**

Milestone was awarded the project at a total cost of \$83,320. The engineer's estimate for the project was \$101,070. The project was completed in December but there was a cost overage of \$13,705 from the quoted and approved price. The overage is a result of removing additional feet of driveway to gain proper slope to remove the ponding. This decision was made in the field while the work was being done.

### **Recommendation**

By motion and voice vote, approve Milestone Contractors North, Inc an additional cost of \$13,705 for a new total cost of \$97,025 for the 2024 Curb & Gutter Removal & Replacement project.
