**Re:** Calumet Avenue LED Streetlight Retrofit

---

### **Background**

Midwestern Electric has provided current pricing to install LED light fixtures to replace the existing streetlights located on Calumet Avenue this would be 117 fixtures.

### **Methodology**

The pricing will be held for two weeks. It is noted that the pricing could increase due to tariffs on raw materials. The cost includes all labor to remove and dispose of the existing fixture and to furnish and install a new LED in its place. All traffic control is included. 117 high lumen fixtures at \$690.00 each. Total cost to retrofit 117 fixtures is \$80,730.00.

### **Budget Note**

The funding for the fixture replacement will be from Cumulative Capital Development funds.

### **Recommendation:**

By motion and roll call vote approve Midwestern Electric to retrofit 117 streetlight fixtures on Calumet Avenue to LED for a total cost of \$80,730.00
