Re: Traffic Signal Damage - Calumet Avenue and Fisher Street August 1, 2024.

Dear Mr. Spolnik,

On August 1st 2024 we responded to a call from Munster PD that a traffic signal pole and traffic control cabinet on the southwest side of the intersection Calumet Avenue and Fisher Street was struck in an automobile accident. Both were destroyed.

We installed a temporary traffic signal that day.

We will be invoicing **\$8,190.00** for the emergency response.

The cost to replace the damaged signal equipment and return the intersection to its original condition is shown below:

1 Rental and removal of temporary signal equipment. *\$8,800.00 (6 month rental)*
1 Combination Traffic Signal. *\$19,800.00*
3 Traffic signals, Opticom beacon and Emitter *\$7,300.00*
1 Camera Modem and converter *\$4,200.00*
1 Traffic Signal Controller & Cabinet equipment *\$21,050.00*
1 Battery Back up System *\$8,800.00*
1 Fiber optic cable repair *\$4,700.00*
Traffic Control. *\$2,800.00*

Sub Total \$77,450.00

Total \$77,450.00 + \$8,190.00 = \$85,650.00

Respectfully submitted,

Raymond Russell

General Manager
