Re: 2025 Sidewalk Replacement Program Quotes

Background

Quotes have been received from three contractors for the 50/50 Sidewalk Replacement Program. In this program, the costs are split between property owners and the Town. Residents can request sidewalk replacement through this 50/50 partnership program. This year the only sidewalk replacements that will be done are those specifically requested by the residents who completed and submitted a 50/50 sidewalk replacement form. There will be two rounds of sidewalk replacement.

Methodology

A request for quotation was sent out to three contractors to quote on February 17, 2025, the first round of replacements. A total of three (3) quotes were received.

<u>Company</u>	<u>5" Reg.Walk</u>	<u>7" Drive.Walk</u>	<u>Total</u>

Giannini	\$16.50	\$20.00	\$70,400.00
Milestone	\$180	\$250	\$125,271.00

Funding

There is \$150,000 for sidewalk replacement in the 2024 G.O Bond, 4413-9152124-64104.

Recommendation

By motion and roll call vote approve L2 Inc's quotation in the amount of \$68,385.25 for the 50/50 sidewalk replacement program.
