

**To:** President and Members of the Munster Town Council

**From:** Patricia Abbott, Controller/Interim Town Manager

**Date:** April 21, 2025

**Re:** Resolution 2151: CDBG Proposal

---

Munster is eligible for \$102,997.00 in Community Development Block Grant (CDBG) funds for FY2025. This is federal funding which is distributed through the Lake County Community Economic Development Office. This is not a grant. It is an allocation of federal funds based on demographic factors, federal appropriations and other housing variables. There is a set process to receive the funds which involves going through the application process in one year then doing the project and receiving the funds in the next year. This is an application year for Munster.

Staff prepared the necessary documents and completed the application form. Earlier this evening, Council conducted the required public hearing and read the documents as required for the CDBG program. Resolution 2151 has been prepared and is scheduled for adoption this evening as the next step in the process. Once completed, the documents will be forwarded to the County by the May 5, 2025 deadline.

**Recommendation:**

By motion and roll call vote, approve Resolution 2151 as presented.
