Hello Neighbor!

At the Munster Civic Foundation, we believe that a thriving community is built on the foundation of togetherness, support, and shared goals. For over 33 years, our 501(c)3 organization has been dedicated to fostering community spirit and partnership to enhance the quality of life in Munster, Indiana.

We have worked tirelessly to fund and support initiatives that make Munster a better place to live, work, and play. In fact, we are proud to share that in 1999, MCF made a \$300,000 investment to enhance our bicycle trails, and with your support, we can continue to contribute to advancing cycling- and much more- in Munster.

As a nonprofit organization, the Munster Civic Foundation relies on the generous contributions of community members like you. Your support is more than a donation; it's an investment in a brighter future for Munster. Together, we can build a stronger, more vibrant community that we're all proud to call home.

Please consider donating today!

Visit our website at **Munster.org** to learn more about our work and how you can get involved!

Donations can be mailed to 1005 Ridge Rd. Don't hesitate to contact us at **(219) 836-6945** or by email at **civicfoundation@munster.org**.
