Re: 2025 landscape maintenance services agreement

Great Lakes Landscape Management, Inc. is our current landscape maintenance contractor for Centennial Park, Community Park, West Lakes Park and John Friend Park. They have been the contractor at these sites for more than five years.

Their current contract was for the 2022, 2023 and 2024 seasons at an annual cost of \$99,548.60. The contractor has shared with us the opportunity to renew with them at the current contracted rate for the 2025 season.

We feel this is an opportunity to continue with the same vendor who has familiarity with these park sites while also getting a consistent service for a fair and known price.

Recommendation:

Staff recommends accepting the offer from Great Lakes Landscape Management, Inc. to hold their pricing and to extend the current contract with them for these same services for the 2025 landscape maintenance season.

GREAT LAKES LANDSCAPE MGMT., INC.
